The Lady:

Jasmine is a tall gorgeous young lady with a curvaceous natural figure. Dark skin with the most wonderful eyes !! From the few reports I have added to date it's obvious that main preference is a lady's bottom and Jasmine is top of the class in that department !!

The Story:

First time I had sen this young lady, made my decision after visiting the website. She kept me waiting a short while which gave me the excuse to take her across my knee for a mild spanking for fun, although I think she will find herself in the same position again soon. She is a friendly, sexy lady who deserves your upmost respect. Highly recommended !!
