The Premises:

The Exucutive Suite used to be a favourite port of call for me but unfortunately they lost the plot and I changed allegiance. But here's the good news. The establishment is now under new management and the new owner knows exactly what punters want and provides it - including an all-inclusive policy with no extra charges for uncovered oral services. A lot of improvements and refurbishment have already been done. I could not fault the room I was shown into by the friendly receptionist. Nicely appointed, clean and neat with an en-suite toilet and shower room, with a basket of pristine white towels, left me in no doubt that somebody cared. There are 3 working girls on offer each day and, on the day I visited, they all looked pretty good to me!

The Lady:

Melissa is a lovely mature blonde lady - late 30's early 40's maybe? The first thing about her that hits you in the eye (almost literally) is the most glorious pair of breasts imaginable. I believe her size is 36 GG - natural and firm. Good solid thighs and backside - a real sight for sore eyes. She is friendly, bubbly and a joy to be with - the ultimate girlfriend experience.

The Story:

What I didn't know at first is that Melissa is actually the new owner of the place. First time I have ever had sex with the proprietor - I felt quite privileged! Anyway, this lady really knows her stuff. Almost immediately we were chatting and joking and having a great time. She told me that she really enjoys her work - and it shows. Her jugs were quickly all over me and I was invited to suck her nipples before she took my cock between her tits and I was in heaven. Then down on it with her mouth (uncovered with no extra charge). She spit on it and gobbled with gusto until I almost reached the point of no return and had to stop her. On with the condom and she suggested I take her from behind to start with. No problem for me I can assure you and she did not object to me spanking her ample buttocks while I watched her enjoying it in the mirror as her tits bounced all over the place. On her back into the mish position and her legs were quickly into the air and over my shoulders as she thrust back with every move I made. Then, off with the condom and she finished me off in her mouth and swallowed the lot (again, no extra charge).

Melissa - you are magnificent. I can't wait to see you again.

Highly recommended for the guy who appreciates a proper woman.
