The Lady:

An absolutely stunning work of art. Valeria made me at ease straight away, but I must say, I was so nervous when I saw her because I was so totally smitten. One of the most beautiful and totally hot girls I have ever been with. We clicked straight away because she is so natural and so thoroughly unpretentious. She has a mouth-watering body with the best natural boobs I have seen and the most mouth water lips and pussy. I just couldn't get enough of her lips and her utterly sweet pussy. We were completely embraced for what seemed like hours and the GFE was incredible. I just didn't want to leave. She gave an incredible bj and explored my most sensitive places.

The Story:

Valeria is one of those rare girls who enjoys giving pleasure. She is so natural that you just can't help to melt into her arms. I left her company totally satisfied. Can't wait to see her again. If you don't see this wonderful girl, you will kick yourself for the rest of your life!
