### The Premises:

Place near Paddington and very easy to find and on main road. Discreet entrance so no problem there. Share flat with Vivien which I have seen before. Small room but clean and nice bed. Small bath room next to bed but good shower so no complain there. Overall 7/10. Only bad point was no mirror in room.

### The Lady:

Was impressed with photos on web site but after seeing the real thing I have to give it to the photographer who's done a fantastic job to an otherwise plain and almost dude looking girl. Thin as a stick (if that's what you into) and look almost like cartoon character from Peperami (long body, long arm with no shape, straight down). Sorry but I like a womanly girl figure. A size cup was correct which I knew in advance. As for body hair she needs to wax her legs and arms. I thought I was hairy!! Oh one last thing, she has a moustache.

### The Story:

Met at door by her dressed in little tight baby doll dress, looked cute, but in closer inspection saw what I described above. Very cute face and so girl next door type of look. Drink and clean towel offered, nice. Sounded rude when asking for finance. I went for the real but it was flat and small. I like my large. She helped undo my shirt and began some very light kiss on neck and nipple. So light I didn't even feel it. Bbj was ok light but at least deep. Use her hand to hold it in place which I found uncomfortable. S.x in different position but her body didn't do it for me. Conversation was light and she seem distance and not really into it. I saw some good reports on different sites but she was far from even average. Face 10/10, body 2/10, service 2/10.
