The Premises:

Nice house, discrete and well furnished.

Easy to get to, literally one minute's walk from Barons Court tube station.

Main party room with three large beds, sitting area, and adjacent kitchen area with additional seating.

3 bathrooms, and an upstairs area for 'larger' parties.

The Lady:

4 girls, 1 Philippino, 1 English, 2 Brazilian.

All attractive girls well up for it.

The Story:

Having been to a number of Limelight parties, I thought I'd submit a report as I have always had a positive experience here.

The girls are always attractive and keen to get into it (I have tended to find that other parties which have model-like girls tend to trade on their looks and offer poor performance).

4 hours is great as there is no rush, plenty of relaxation time, and no 'queuing' - when you feel in the mood, off you go.

Yesterday was a great event. Without going into details, plenty of action, an Asian swinging couple turned up where she was tied up and serviced by most of the guys in every position, and one guy himself ended up being tied up to the stairs and attended to by the girls!

All in all, great fun and I really think these are the best value parties in London.

Keep up the good work Alex!
