The Story:

Having had a wonderful hour with jasmine the day before I rang Stacey to see if I could see her again. I was told she was booked until later that afternoon but was recommended to see her friend Eve instead. What can i say. Again, she did everything i was told she did and I had the most amazing time. I thought it would be impossible for anyone to be as good as jasmine (from the same agency) but Eve proved me wrong. Absolutely fantastic.
