### The Premises:

City Girls - city centre apartment, clen, safe, easy to get to, discrete parking all around.

### The Lady:

Very cute, perfect body in fact. I don't know why she's not a Page 3 girl. Lovely tits, very pretty face (one down side though, a little bit of bad-breath).

### The Story:

Really enjoyed this session, from the time I spent undressing her, kssing, giving it the full GFE, I was ready to explode. She gave a perfect bare-back blow-job, I came in her mouth but she still continued to suck me off. Spat my cum back out into a tissue afterwards!

Rested for a bit, ate her gorgeous shaven pussy while she sucked me back into life. We fucked for the next 20 minutes, I came over her tits this time as the maid was knocking on the door reminding her that my time was up (and the place was closed).

Nikki's not around that much, so really take the opportunity to see her if she's there.

Met Carla on the way out, must make some time to go and see her soon.
