The Premises:

joanna's apartment is stunning a new apartment with plenty of class just like the lady herself!!. it was in a safe place just off the m60 near prestwich.

The Lady:

this young lady is an absolute stunner she is polite courteous and a joy to be with!, she is empathic and also a real tease!.

she has a wonderfull ability to place peolpe at ease almost immediately. she stands at 5ft10inches and has a rubenesque demure she has a lovely figure with all the curves in the right places with gorgeous 40dd curves wow!!

The Story:

joanna is fun, caring and a joy to visit, on arriving at joanna's apartment i was a little on the nervous side, this didn't last long though!, joanna escorted me to her bodouir, we relaxed on the bed slowly caressing each other as joanna reached the pleasure area so to say!! all my nerves seemed to have ebbed away.

Joanna expertly went on to perform some of the best oral I have ever encountered. she was responsive to all of my needs after awhile I felt that I was at the point of no return, I exploded in her willing mouth and filled it fully, joanna just kept gulping my cum with willingness and I can truly say that my next visit will take us both to another level.

I would like to keep joanna my little secret, however she deserved to be revered and some of you lucky guys will benefit fully by booking this special young lady, but make sure you treat her with the respect she deserves and treat her well

thanks joanna will see you very soon lol xxx
