The Premises:

The Executive Suite is already becoming well-known in Crewe as a resurgent establishment. They are beginning to get their act together and I am now a regular visitor once again.

The Lady:

I phoned expecting Mellisa to be available but was told she was not working today. Jordan was recommended by the receptionist. I agreed and was more than happy with the alternative. A very sexy young woman in her twenties, pretty and long fair hair that falls provocatively over her face. She boasts 36 GG breasts that she is, understandably, very proud of. She stripped to just her stockings and was a lovely sight to behold.

Guys, if you like skinny little things this is not the girl for you. If, like me, you prefer a well-upholstered woman you can get to grips with - Jordan should be on your list.

The Story:

Because I am an older guy I don't think she was quite sure what to make of me at first but we very quickly became friendly. The usual massage soon turned into a real turn on as her jugs were in my face as she played with my balls and she started to blow me. Lovely - she went right down on it and almost choked. I asked her to spit on my cock and this seemed to really turn her on as she began to talk dirty. "Look at that spit running down your cock - it looks like spunk - do you want me to lick it off. I am ready for it - how do you want to fuck me?" Well, I had all sorts of ideas but asked her to lie on her back while I returned the favour and licked her sweet pussy which she really enjoyed. "Come on - I want to fucked hard". On with the condom and I gave her what she wanted until the sight of her writhing about made me shoot my load big time.

A really good punt and recommended.
