The Premises:

Kandys is a very nice place. Have been before. Has its own parking around the back. Off the road. The house is also back from the road. I have always felt very safe going to Kandys no matter where it has previously been

The Lady:

46 years of age, but thats no matter. Fantastic legs, Short dark brown hair. Small breast but great nipples. Shaven pussy and soft lips.

The Story:

Usually I use Kandy herself but thought I would go for the older woman this time. Was not disappointed. Zara made me feel very relaxed. Zara is quite dominant and told me how she like to be touched and caressed. I didn't mind that I like to know I am pleasing a woman giving her what she wants. I paid ?60 for full personal plus an extra which was kissing and reverse oral. The experience was fantastic. Zara being older than me made me feel like it was some illicit affair I was having with a married woman. She really seemed to like being caressed and kissed and really enjoyed that oral I gave her. Once she had come she proceeded to suck my now throbbing cock. She made me promise to be gentle with it in her now very sensitive pussy. Me being a gent obliged. Zara is a real treasure and needs to be looked after. So if you do get the chance to visit I recommend you do(I will be again lol) but please be gentle with this beautiful flower
