The Story:

I have been seeing Jan now for several years, but this is the first time I have submitted a report. Why I hear your ask? Because she is a secret worth keeping to myself. The only reason I'm submitting this report is because Jan sounded disappointed in not having any reports submitted recently.

Jan loves meeting people and will always aim to please, she is sexy and loves her work and has brains as well as good looks. Her coffee is not bad either. Shower facilities are also available. Must try one with her sometime. If you visit her, treat her with respect, or else you will have me to deal with.
