### The Premises:

Usual Scorpio. Very clean and well equipped.

### The Lady:

Very leggy slender Czech girl with shortish wavy dark hair. Quite pretty in that eastern European exotic kind of way. She has three tatoos (2 on her back and one on her calf) which might put some people off but I quite liked them. Shaved pussy and generally very toned and fit, with nice firm C cup breasts, early 20s I reckon.

### The Story:

We started off with a gentle massage and chatted for a bit. After establishing the ground rules (covered oral and no anal) which were all fine with me we started off with some stroking and and kissing. Then onto oral and 69 which was excellent and which she seemed to enjoy as well.

I was seriously turned on by this point and we moved into mish starting of gently but Caroline seemed to want it deeper and harder, which was great! Then onto doggy (her request) for a very energetic pounding with her wanting it harder and deeper as time went on. Finished off in this way and then a girlfriend style snog and cuddle. Excellent.

There were only a couple of minutes left so we had a brief chat about what she was doing here. She's a clever girl actually and interesting to talk to, and she only works a few days a week, so catch her if you get the chance.
