### The Story:

Called Valeria in Escort of London;

Called Valery in Babylongirls;

Called Viola in Agency Barraula;

Called Linda in Angels of London;

Not joking, you won't be able to find a better way to waste your money.

Poor attitude... left after 15 minutes... Well, I don't think I will have worse experience... If I have to choose again, I better get a transsexual rather than get her...

Any serious agency shouldn't have this woman on their sites. She shouldn't be in this industry.
