The Story:

While in London for business over the weekend, I decided to call indian palace. Also because Anjali works on a saturday I thought it would be nice to visit her as she looked so lovely.

Eventually I arrived and Anjali is so much better in the flesh. She is the most beautiful working girl I have ever seen.

As I had paid for one hour I wanted to take my time. Sadly they are not allowed to kiss which is a shame, because Anjali had such kissable lips. She started with a nice massage, very sensual.

Gradually she removed all her clothes to reveal slender breasts. Then, she really got me hard and inside that delicious body I went. Over the course of time I came a few times. Anjali is the best!!!
