The Premises:

Previously reported by myself and others. Not the best but OK.

The Lady:

Amber was described on the phone as aged 35, but will actually be around 45 years old. Also she looked nothing like her pictures on the web(dont know if this was another lady working under Ambers name or wot?).

Long dark hair, mediterranean looking, quite tall, slim, bit of a belly, average looker with loads of tattoos.

The Story:

This is the 2nd time I have had a below average punt at this establishment. On this occasion I was told ?5 door fee + ?40 for 30mins + 2 services, however somehow & stupidly I agreed to being releaved or ?65, paying extra ?10 each for reverse oral & massage.

This has to be my shortest ever punt, 3mins of massage, 2mins of reverse massage, 30secs of reverse oral, 20secs of oral with + 5mins of sex.

Also when I went down there was a slight whiff of Billingsgate, which was a bit of a turn off.

This punt was all far too rushed, & for ?65 didnt even get owo.

No GFE here either.

I left after approx 15mins on the premises, feeling thoroughly ripped off. Maybe the other girls are ok, but I've been dissappointed twice now.

I wont be going back.
