### The Premises:

Not particularly clean, nice area, safe.

### The Lady:

She is much older than advertised. Her profile says 21, she's at least 30. Her breasts are very saggy as is her stomach. The pictures on the website have been totally brushed using Photoshop. Do not expect the girl in the picture when you arrive to see this woman.

### The Story:

She does not do anal and kept on saying "c'mon baby" to encourage me to cum faster. Frankly I would have left within 10 minutes if I could have cum. But even though I was very disappointed I decided to at least cum otherwise it would have been an absolute waste of 150 quid. Awful. Frankly, the worst sex I have ever had.
