### The Premises:

My Place

### The Lady:

Short, 5 foot ish slim, beautifully proportioned long blond hair, no piercings/tatoos, that I noticed

### The Story:

Arrived a little early but no problem, enjoyed a glass of wine together, very chatty and easy to get on with. Kissed and cuddled, very gentle and a little shy at first, eventually arrived in the bedroom where I found the perfect figure, neatly proportioned. Explored the whole of her body with my tongue which was enjoyed then, as they say, the rest is history but very enjoyable and well worth every minute
