### The Premises:

Very close to Baker Street, nice clean flat, shower a bit boxy, but clean. Felt safe

### The Lady:

Very pretty

### The Story:

Saskia opened the door wearing a hot secretary blouse and skirt, and a great big smile. She was very welcoming and after a glass of wine we started to kiss and undress. She kneeled and gave me good OWO, with lots of eye contact- a bit wet though not to my liking, anal was great tight arse and she took all of me in until... After a bit of chit-chat she was up for more, this time I pleased her, and she seemed to like!

She is a very sexy girl, with a hot feminine body and a disarming smile, very engaging and eager to please. She certainly made me veyr happy and I'm already planning to see her again.
