The Premises:

The entrance to the block seems to be getting worse by the week - rubbish and junk piled up everywhere, the internal stairs are shabby and need a good clean - all of this is cosmetic but it does spoil the atmosphere. If this were just a one off instance I wouldn't mention it but it appears to be an ongoing problem. The flat itself is fine.

The Lady:

30+ brunette, good figure, charming face and smile.

The Story:

Even after just a brief encounter you can tell Isobella is a fantastic woman in so many ways - affectionate, articulate, attractive and generally very good company (no doubt makes an ideal girlfriend for someone....). Doesn't offer OWO/CIM which is a great shame but still provides excellent service, any failings in the experience were undoubtedly mine.
