### The Premises:

Hotel in centre of Birmingham

### The Lady:

Brunette late 20s with lovely long hair. Sensational body ? really slim with a kissable arse! Fantastic personality ? really funny and always interesting - pics don't show how pretty she is.

### The Story:

The perfect overnight! The whole night was just a date ? 2 people meeting and then...

Champers in room then dinner out ? both of us feeling quite sexy around each other, lots of touching and kisses before coming back to the hotel for a night of passion. A very full night and a very special one. There was something very romantic about waking up next to Francesca feeling her body moulded round mine and after a few kisses off we went again.

She has innumerable qualities in and out of the bedroom which the overnight are perfect to explore. In my years of doing this I have rarely met such a combination of beauty and sensitivity, charm and sensuality.

I am so glad I had to be in Birmingham and chose Femme Fatale; their recommendation of Francesca was obviously spot on!

All I can do now is hope that I can see her again soon rather than later ? thank you.
