The Premises:

Functional and basic. The shower (downstairs) wasn't working properly and there was nowhere in the room to hang clothes, so they had to go on the floor.

The Lady:

Jessica was well oversold by the receptionist who said that she was 'absolutely georgeous'but she was more like a MILF or an older girl next door. The pictures on the website are accurate.

The Story:

Having said Jessica was oversold we had laughed quite a lot during the 30 minutes I spent with her. OWO plus some reverse O (and she definitely came once or twice) before she was eager to go for doggy and who am I to refuse a lady? So in summary Jessica was very good and as long as you are not expecting a beauty I would recommend her. Kandy's itself could do with some refurbishment and upgrade - a shower in the room would be nice.
