Petite, long black hair, slim and has a very nice disposition.

The Story:

Started the service with a bout of deepthroat oral without, well that was the supposed to be the first part ending with a cum. The second part was a blowjob outside down a leafy track, I asked her if she minded being caught giving a blowjob outside but she was cool with it as long as kids didn't view which goes without saying. Well she did me and my cock proud!! 30 mins of furious sucking ending with me cumming in her mouth, bathed in sunshine and a real turn on!!! All you have to do is ask her fella, she's up for most things!!
