The Premises:

As previously reported the new Exec. Suite is beginning to re-establish its old popularity thanks to the new owner. So far I have found that appointments are honoured on time and the girl is with you within minutes of your arrival. A proper professional service.

The Lady:

Charlie is brill. Saturday is not her usual day but glad she was covering. Early 30's, long black hair and voluptuous figure (lovely breasts and butt). Great personality and a lot of fun.

The Story:

This girl really knows her stuff. Lovely sensuous massage followed by her tits round my cock before she took it in her mouth and gave me a dream of a blow job (uncovered with no extra charge).

I suggested we change places and returned the compliment. She loved it and I swear to you she had an orgasm - either that or she is up for an oscar!

After that on with the condom (using her mouth) and great sex in mish and doggy postions until I could not hold back any longer and filled the bag big time. Charlie is one horny girl and on my list for regular visits.
