Tall slim, attractive blonde whose photos do not do her justice. Friendly, understanding and anxious to bring ones fantasies to life.

The Story:

Have been to The Retreat many times but this was the first time with Sam. The thing that strikes you immediately is her statuesque figure and legs that go on forever. Although she claims to be fairly new to the Sub/Dom scene it did not take her long to take control of my fantasy - she took me by the balls literally !

I was soon stripped naked and shackled to her cross for a mixture of sensual teasing and erotic CP. Only when I had learnt my lesson was I finally released, but this was only so I could kneel before her and worship her body - starting with her perfect feet and working my way slowly up her incredible long legs.

After this I was forced to lay on my back as she straddled my face and ordered me to pleasure her with my tongue - only when she was fully satisfied did she grant me the release I craved.

Sam is a great addition to The Retreat and I am sure I will not be the last do her bidding or to sing her praises.
