Perfectly nice flat a few minutes from Baker Street tube .

The Lady:

Suzi is a very pretty Polish girl with a dream body if you love curvaciousness and to quote the cliché , all very much in the right places ! If you are prone to the love and worship of women's bottoms then you are in paradise here! I have seen Suzi a few times now and her botty will get me in trouble , especially as she always keeps her strappy high heels on which she knows drives me nuts when she walks with a Monroe wiggle!

The Story:

Suzi may be a bit quiet when you first meet her and a bit passive but she understands English and warms after a while .She has a Sophia Loren face(and bum !) which can be a little stern sometimes but then breaks into a beautiful smile .Anyway I love her immaculate clean fresh bod and after kissing her all over with some serious butt worship she loves her pussy licked and bum rimmed and on all occasions cumms with lots of juices if you can keep going long enough with your tongue! When it's your turn she is a lovely doll to fuck , to hold her bum cheeks whilst cumming inside her is paradise for me ! And you could not have a more heavenly doggy fuck with those arse cheeks spreading below you as you thrust into the cleanest shaven pink pussy imaginable ! Don't expect lots of messy extras , Suzi will just give you a good old fashioned fuck in mish or doggy with a beautiful body , she may seem distant but I just like her anyway !
