The Premises:

A very smart and clean place on the Hartshill Road. Has a front entrance on the main road but also has a very discreet rear entrance. Safe area with plenty of parking in the surrounding side streets.

The Lady:

Becky was just like the pictures on the web site. Slim, short jet black hair, pert breasts with great nipples, shaved down below and great legs. If you think of a slimmer Kym Ryder you won't be far off. FIT!

The Story:

I saw Becky a couple of weeks ago in Crewe and she was so good I just had to see her again, but this time I fancied giving her a good banging on the king sized bed at the superior facilities of The Head Office.

I had made a booking by phone to be sure of seeing her and arrived shortly before 11:00am. Unfortunately she was running late (as usual) but I was in no rush and I knew it was worth the wait.

After a while, I was shown to the room (yes, room 2 with the king sized bed, etc) and had a quick shower. Becky finally arrived and apologised for being late, she was rather over dressed compared to our previous meeting, wearing a bra, knickers and suspender belt. The bra soon came off as she straddled me on the bed and we had a good snog as she ground herself onto my ever hardening cock before I moved down to lick and suck her nipples. I must say that when Becky is aroused her nipples look fantastic and I could have sucked them all day.

From here onwards, the session was very similar to our previous meeting (FR74140). After removing her knickers, she gave me a brief massage and ball fondling but due to my hardness I had to roll over and she gave me OWO. Becky is really good at sucking cock, and it was great to see her luscious lips sliding up and down as she took my full length in her mouth.

After some more snogging and nipple sucking I told her it was time for the condom, which she applied with her mouth, and then she climbed on top and lowered herself onto me. After a quick

session of cowgirl she then squatted over me so that I could see her tight pussy sliding up and down my thick cock. It was now time to get her on her back with her legs spread wide and high as I gave her a good banging. By this time she was getting very vocal, encouraging me to fuck her hard and deep, as I hooked her legs over my shoulders - it was a great view in the mirror! I had to slow down a couple of times as I was on the edge and I didn't want it to end too soon.

She then turned over for some doggy, it was a great view as she arched her back and stuck her arse up in the air. I then placed my knob between her waiting pussy lips and slid back in, balls deep.

As in our previous meeting, I was hoping for some anal action, but she said that I was too big (oh well). Aware of the time, I was hoping to give Becky another mouthful of spunk or possibly give her B cups a good soaking unfortunately I had spent so much effort in not cumming too early that now I had gone off the boil!

Despite this little setback, I had a great but exhausting time. While recovering in reception, I showed Becky the FR for our last meeting on the computer and she insisted that I wrote another one for this place, so here it is.

Thanks again Becky, you are a great fuck. Hope to see you soon.
