Notes: Formerly known as Ultimate

The Premises:

Ultimate is located in a road opposite the main turning for the station. It's in a building next to a well known taxi service and garage. Parking is very easy as there is always an hours free parking and I've never had problems finding spaces. Generally, the place is clean and safe. However, today it would appear that the boss had gone on holiday. Place smelled bad today and it usually is very neat and tidy.

The Lady:

Blond, 20, big (not in a good way) and not very attractive. Don't get me wrong, there are/have been some fantastic girls working here but she isn't one of them.

The Story:

She had a good technique with her hands and oral with but, my god, I just couldn't get into it. Ended with doggy (thank god) and left.

As I said, I've had a few girls here who have been great such as Angel, Tanya, Latitia and Louise but not this time. Danni may interest a few punters looking for big girls but she didn't do it at all for me.
