Recently decorated since my last visit. Very clean, great ambience. Easy to find, safe parking.

The Lady:

Just have a look on the web site - now forget that because she is twice as beautiful in the flesh.

The Story:

Trisha knows how to treat a man - I'm not going into details but the hour was just too short and consisted of fantastic sex intertwined with just enough conversation. I've seen Trisha a few times and each time it just gets better and better. Excellent VFM and well worth a visit.
