The Story:

ahhh nadia you can see this lady is very pretty, though a few extra pounds on her wouldnt go a miss , that said she is so incredibly sexy
very friendly totaly at ease with her.
phoned around 13.30 to book for 14.00
straight round off with kit and some lovely kissing while our groins rubbed lightly together, nadia slowly slid down kissing my body, on reaching my balls she gently licked them before taking the whole of my cock down her throat in one , now im not especially big cocked , but its not small either , ive known women to gag on me, but nadia? no way.... she is such a proffessioal think she actually loves to suck cock , and god is she good at it 20 minuets in and im pumping my man milk down her throat, thats gonna be in the wank bank for a while... all uncovered for 30 quid, shes a a star,
next time im gonna go for the half hour and see if she fucks as well as she sucks....
you kno who i am nadia i gave you a little gift so i got looked after, well you did yourself proud and if i had more money on me now ,
i would be back round like a shot
would i visit again? oooooohhh absolutely
