The Premises:

City Girls is behind Staples in Central Milton Keynes. It is on the 1st floor of an apartment block. I've noticed that the stairwells could do with a decent clean -but I'm not an Estate Agent so it's not a big problem. Inside the place is always clean and modern.

The Lady:

Carla is aged 28, and is a very pretty brunette with a really curvy figure. She has a great "natural" pair of breasts, and a great pair of legs as well. She is about 5'6" tall.

The Story:

Carla greeted me with a kiss and cuddle, which helped get things off to a great start. She told me that she was very tactile and loved being touched. Carla helped undress me and then asked me to take her basque off. Once off, this exposed her beautiful figure in all its glory. She told me exactly what she does and doesn't like and took the lead in the encounter. For example, while she was giving me OWO, she told me to run my fingers through her hair. Little touches like that made it very special. Once it was all over, we chatted for a while and believe you me Carla is something really special.
