The Premises:

A working flat in one of the main roads about 7 minutes walk from the underground ? you wouldn't want to live here with the noise of the traffic outside. Inside was fine, smart enough bedroom, neat bathroom, what more do you need?

The Lady:

Most pictures lie ? either she looks lovely in the pics but is a dog in real life (often), or is 10 times lovelier in the flesh (occasionally). With Samantha, the pictures are spot on ? lovely tight body (beautiful taut buttocks facing you during doggy are a real delight). She is really lovely, and despite being an escort for at least a year, has really retained her enthusiasm and gives 110% from the outset.

The Story:

What do you want to know? She gives exquisite oral, just using her tongue and fingertips, she adores reverse oral and came copiously with a lovely smile on her face. She has fantastic pelvic muscle control and, once I had bent her over the bed, took a real pounding noisily whilst she squeezed every last drop out my cock. She is clever and chatty and we lay on the bed for the rest of the hour talking like old friends, whilst she toyed with my cock using just her fingernails ? bloody marvellous. A really beautiful and intelligent escort who should be on everyone's ?must fuck? list.
