The Lady:

Charlotte was everything she said she was on her website. Her breasts are amazing and she is a definite must for anyone with a tit fetish like myself at a whopping 36FF. They are firm and lovely to touch. She is curvy, but not fat, just the right size and conducts herself as every true professional should. She's extremely attentive and was wearing amazing stockings and suspenders and an outfit that blew me away!

The Story:

She has an amazing blowjob technique and got really into the sex! She swallowed all my cum and even licked up the last drops!!! I couldn't believe the filth that was coming out of her mouth, she talked dirty the whole way through which really did it for me! When I asked for anal it wasn't a problem and she felt amazing.
