A lady of a certain age??Anneke has skin as smooth as silk, for her physical appearance, check her USA web site www.annekepleasures.com... What a twinkle she has in her eyes.

The Story:

I do not want to taint the experience by giving a blow by blow account????I have met Chloe Champagne, this is much, much better???..If you want a quickie, this is not the lady for you?..I was about to retire from my activities, but another visit to Anneke, and perhaps with her half sister Lauren is far too tempting?.
