### The Story:

Sat down for 10 minutes over a cold drink. Ana could see I was getting horny. Being a bit nervous followed her upstairs.Lovely site of her arse up the stairs.She stripped me off and folded my cloths. I wasnt after kissing etc as Ana does not do this. What she does do is give amazing head.Boys be respectfull,be like me clean bathed & showered.She is a lovely lady who clealry enjoys respectfull men. The time flew by.Shot my load four times and wished i could have done more. She gave truely the best head ive ever had. Overall id describe her as the sexy neighbour next door you have allways fantasised about what they will be like. I will be back as arnie said, hopefully less nervous and more horny.
