The Premises:

Basement flat in a good central residential area - safe and discrete. Flat was clean - her room was large and welcoming, large bed, sofa, and large mirror. The flat is shared I think but this wasn't a problem. Good shower facilities also.

The Lady:

Very attractive lady, with more than passing resemblance to the Dr Cameron character in the TV series House. Her pictures are therefore accurate. I would say mid-20s and in excellent shape, great figure, slim but firm with nice womanly curves.

The Story:

Sandy has that direct but pleasant manner some Russian girls have (she's Latvian but of Russian extraction). She also has a rather sexy deep voice and a wicked smile. After the finances were sorted (managed to miscount the first time and was firmly but politely corrected) she offered me a glass (or two) of wine and we went through her wardrobe until we found the outfit I liked best - skirt, stockings and high heels of course. Ended up on the sofa removing her skirt and bra and getting down to business. This was somewhere between a GFE and a PSE - ie the girlfriend you always wanted. She clearly enjoys herself too - I could see her fingering her pussy in the mirror as she sucked my cock. We finished up in a pretty vigorous doggy position, with her grabbing my wrists and pulling me very firmly towards her as we fucked. Had a nice chat afterwards - she's well worth a visit.
