### The Premises:

Again, see previous FR's. Luxurious.

### The Lady:

Was hoping to see Becky again but she was fully booked, so was quite happy to see the only lady available, Kara (22). Nice slightly-dark skin, tall, slim brunette with nice ass. Rather attractive!

Nicole (23) a blonde hottie with a superb pair of enhanced breasts. The kind of girl only a footballer will speak to on a night out. 99% of guys dream of fucking a girl like this.

### The Story:

Kara came into the room, and I hadn't met Nicole yet. As I've received a rather large bonus recently, I've had a few two-girl specials. I decided that as I'd had such a blast with Becky and Emma two days previous, I'd enquire whether a two-girl was again available. I said I wanted to pay by credit card and was told it was fine. I was hoping Kara would return with Becky, but I wasn't unhappy when Nicole walked in.

Unfortunately, and I was in two minds as to whether to write this FR, I didn't have as great a time as recently. I had asked more than once to both ladies to make sure they were both comfortable with a threesome. I think they saw pound signs and didn't give thought to what was being asked. I wish they'd have declined. I'd have been happy to see either one on their own.

Started with a back massage. Then got some do's and dont's out of the way. Only half an hour. No kissing. Damn. Off came the thongs and bras to reveal two of the most perfect bodies I've seen in a while. Both fully shaved, I was hard pretty ok. Asked them to kiss and this is when I realised things weren't going to go as planned. The girls clearly weren't bisexual, rather friends just thinking they were up for it. At no point did I force anything, and asked again if they were comfortable.

On with the condom, no owo (don't know if this is offered), and Kara rode me for a while. I asked Nicole to let me lick her as her friend rode me, and she let me. A few glances up at her face told me her heart wasn't in it. As Kara at least tried to make the right noises, Nicole remained still and almost disinterested.

I suggested I take Kara from behind as she licked Nicole out. Kara felt good, but I couldn't see her eating Nicole out. Nicole still disinterested. As I re-arranged myself for a better position, I'm sure I saw Kara licking her hands that completely covered Nicole's pussy. I was being ripped off! I said I couldn't see and Kara moved her hands and began to lick Nicole. I'm sure I saw the hint of a grimace on the face of Nicole as Kara's tongue touched her pussy.

I suggested we swap condom and I have Nicole missionary. The girls kissed as I came in the bag on top of Nicole. I was almost glad it was over. The girls were polite as we dressed, and I almost felt apologetic for putting them through their ordeal...I mean, you'd never catch me with a bloke, but I'd say no at the start. I was asked half-jokingly if me jangling my keys meant I was going to try and do a runner...I'm not sure where these ladies have worked before, but I think they may have had a poor experience.

Who did I see waiting as I went to pay? Becky. Shit. I'd have rather paid the ?150 for just her...oh for a GFE! Foolishly, I stated I had the cash when I went to pay with my card. They wanted the cash. I paid and left.

I'm sorry girls, but I'm not old, I'm not ugly, I'm in reasonable shape and I am clean. You'll come across far worse than me in this work. I think most ladies view me as a pleasant client, and I treat ladies with respect. I'm sorry you didn't have a good time.

I would recommend both ladies as they are real lookers, but I'd not book them as a two girl again. I wish the ladies well.

### **Service Provider's Rebuttal**

The establishment writes:

We wish to make clear that any client who wishes to pay by Credit or Debit Card for their Full Service including any Extra's can do so with no quibbles. The girls were wrong to have demanded this, and have been put straight about our practices. They shall not be available for a 2 Girl Experience with Lesbian Scene again. If you feel that you are unsatisfied with any service please come and tell us at the time and we can resolve any issues fairly. The last thing we want is for any client to be or feel that they have been ripped off. As that is bad practice. We hope to see you again soon!
