The Story:

Becky arrived in the room and straight up to me for a snog, great start.

Then the obligatory massage (a few fake moans at this stage which I dont really like, but nothing excessive and I suppose all part of the usual formula) , I noticed how toned Becky was at this stage, not built for conform, definitely built for speed!

Then oral on me and a quick bout of reverse (Not enough for my liking, but she may have come and become sensitive so I went with the flow)

We then has a session of doggy with her on her nees on the bed and me stood up, a great view in the mirror and she was backing up so firmly that I actually hurt my balls on her backside!!

All in all a very nice punt, however I would have liked more time on reverse oral and I cant really say it was a GFE this time but still great fun and great value.

So ?60 to shag a very pretty, very sexy and very young girl.....very recommended.
