The Premises:

Convenient for Bond Street station - a brisk walk to get the circulation going!

The Lady:

Absolutely lovely, and even nicer than her photos on the site. Beautiful eyes and a slim, attractive, athletic body.

The Story:

My first time with Lyana - and I don't think it will be my last. She has a great attitude and an obvious gift for her chosen occupation.

After a strip-dance, she helped me unleash Huw and then took him for the ride of his life, although I thought it only polite to pause from time to time to keep things on the boil with a little DATY (very tasty).

I haven't worked up a sweat like that for a long while - and Lyana seemed to be enjoying herself as well. Please don't visit her - I want to keep her all for myself ;-p.
