The Story:

I have been meaning to write a review of Jenny for some time. She does not come across as your typical escort but more as the next door neighbour of your dreams who just loves sex. Sessions with her are intense and sexy, and her obvious enjoyment of what she does is a real turn on. We started with lots of reverse oral, followed by writhing all over the bed, a killer blowjob and a blur of positions including an exquisite 69 and a balls draining cowgirl. We were so into it we never even got round to the shower.
