Tall, long blond hair, big tits, body to die for, gloriously dirty mouth, great sense of humour.

The Story:

Kelly is justly famous, probably the best escort in the capital. I have seen her many times and never been less than blown away. She is so good at what she does that she leaves you feeling you were the high point of her week, and she really can't wait to see you again. The sex is intense and adventurous (she picks up on your every move) and she keeps up a running commentary that stays with you for long after.

She loves receiving oral and we had a bit of fun seeing how often I could make her come. Then a long slow teasing blow job and a session of hard doggy followed by a pounding missionary. She left me exhausted and with a smile on my face a mile wide.
