### The Story:

The best 30 mins I have had for as long as I can remember. She is one very attractive young lady and is nicer in the flesh than she looks on the website.

We kissed, we cuddled, I licked her till she was quite wet, she gave me OWO with CIM, then we relaxed for a few mins and then did it all again - well almost all - in the time left.

It really was a great time - and one I shall repeat. She is from Slovakia and only here for about a week at a time every month or so, but well worth waiting for.
