The Story:

Visit this place all the time so the date may be wrong, but it was definatly Sunday. Was offered Anna, but I'm sure her name was Hannah, put her money (with tip) under the tissue box on the radiator, by the bed, and when she came in, indicated that it was there.

I asked her for 69, but before she had finished undressing she said 'No, but you can give me oral while I lay down.'

I was gutted as I really enjoy oral girl on top and felt a bit (!) turned off.

I knelt down and leant forward to kiss her neck, and she blurted out 'You're not fu##ing me though!'

That was it, my dick went limp, dismayed I asked her why not but got mouthfuls of abuse. I got up and took ?20 of the ?40 I paid her, and began dressing. She picked up her clothes and money, finally storming out of the room calling me a "weirdo" and telling me to f##k off.

As I am leaving with Hannah still hurling abuse at me, the Manageress intervened, apologised for the girl's behaviour and refunded my ?10 entry fee ...she seemed embarassed.

My advice to you, Hannah, is to find another occupation and habit.
