### The Premises:

Clean flat in nice mansion block 5 minutes from tube

### The Lady:

Tall, leggy and fit 18 year old - biggish tattoo on lower back. Also on a few other websites such as Babylon Girls.

### The Story:

Greeted me at the door in short white skirt. Very young and inexperienced. Not much English. Went straight for condom so no OWO - did not seem comfortable. Also advertised as offering A-levels - no such luck. Great looking body but bad attitude - not sure if this was due to boredom or lack of English. Really a complete waste of money - better off donating it to Doctors without Borders.
