### The Lady:

Arrived to find her dressed as requested in white blouse and black skirt with black stilettos. Black bra, panties, suspenders later revealed. Looked absolutely gorgeous and a lot younger than 51. Great figure and cracking legs.

### The Story:

Started with cold drinks on sofa to relax and get to know each other a little. Once payment out of way lots of french kissing and touching followed by journey up stairs to the heaven that is the bedroom. Slowly undressed each other whilst continuing french kissing. She then took my cock in her mouth in what can only be described as a mindblowing bj. I then proceeded to return the compliment and got her very close to a climax. She then finished herself off whilst I sucked on her nipple as directed to do. Then on with the cover and she got on top of me and allowed me to get rather deep inside her for my first climax. We then laid cuddling on the bed before she took me in her mouth again before finishing me off by hand. A wonderful hour with a wonderfully responsive lady. Not a clock watcher and would recommend her wholeheartedly as a MILF type lady of some class.
