The Premises:

Flat in Gloucester Road/South Kens area of London.
Nice flat.

The Lady:

Slightly older than what the pics show her as. Nevertheless, she has a very fit figure and gorgeous legs.
I would estimate her to be in her early 30's.

The Story:

Having sorted the finances out, we had a snog and then moved onto the bed. Great foreplay, and onto a bbj which was very good.
I found Lina to be a friendly girl who really did her best to satisfy me.
The bbj was to cim. A trip to the bathroom followed and she helped clean me up.
Suddenly I started feeling quite tired and just listened to the soft Celine Dion music in the background, while we lay in each others arms.
I've no doubt that a 2nd round would probably have been on offer had I initiated it but I was just too sleepy, and just passed the hour in her arms.
No complaints. Great effort by a very nice woman. 7/10 for looks and service.
