## The Premises:

Flat in Gloucester Road/South Kens area of London.

Nice flat.

## The Lady:

Slightly older than what the pics show her as. Nevertheless, she has a very fit figure and gorgeous leas

I would estimate her to be in her early 30's.

## The Story:

Having sorted the finances out, we had a snog and then moved onto the bed. Great foreplay, and onto a bbj which was very good.

I found Lina to be a friendly girl who really did her best to satisfy me.

The bbj was to cim. A trip to the bathroom followed and she helped clean me up.

Suddenly I started feeling quite tired and just listened to the soft Celine Dion music in the background, while we lay in each others arms.

I've no doubt that a 2nd round would probably have been on offer had I initiated it but I was just too sleepy, and just passed the hour in her arms.

No complaints. Great effort by a very nice woman. 7/10 for looks and service.
