The Story:

Led in to the room parted with cash and stripped, nadia went straight to work and sucked me up into an erect state where she pumped my cock vigorously for several minutes stopping only to show me her party trick several times.

Yes this girl can look at you as she slides her mouth down the full length of you cock and stops only at the end where you can feel her tight throat gripping your end, she does all this without gagging.

Whilst she was doing this I was busy fingering her very tight pussy and wondering how on earth she takes a good fucking? she is so tight...eventually spunked in her mouth got dressed and had a kiss & hug on departure.

She is excellent value for money guys please dont abuse her.
