The Story:

Met Jo Jo as soon as I arrived, and knew that I had made the right choice.

Started off with some cudling, kissing and mutual stroking, to get us both in the mood. Then on to some absolutely mind blowing O (covered), Jo Jo paying particular attention to my balls, which I love.

Then down on to her sweet shaven haven, which was fabulously smooth, with no stubble as she had shaved that morning.

More a little more O, then on to the sex, start with her on top, then mish, and finally doggy. It all me wanking off while she plays with her entertainment centre.

Some post coital cudling rounds off a top shag.

She says ahe's trying to give up the game so if you want her you best be quick.
