The Premises:

Brooklyns has two rooms, one very large (with en-suite shower), one rather smaller (without en-suite). The smaller room is the cozier when the weather's cold. Both rooms are clean and well furnished. The WC is in the kitchenette, which isn't ideal. The manageress is always helpful.

The Lady:

Nikki is in her early forties, slim, and in good shape. Half-Italian, she has dark hair and nice olive skin. She is remarkably well-preserved. She is very good-humoured and is game for a laugh. She has been working for about 7 years. She used to be at Stoke's Palm Springs.

The Story:

I had seen Nikki some years before and decided to have another punt with her. She specializes in owo, which she does extremely well - highly recommended. However she won't kiss and won't allow any anal contact. (She explains she has to "save something special for her partner"; but as a paying punter I'm not convinced by this. I like working girls to be wholly committed). Overall, I had a very pleasant punt and excellent owo, and afterwards Nikki chatted and did not run off. So I am happy to recommend her, but I shan't see her again for some while.
