The Premises:

Nice part of town, not packed full of people so no worries about being watched. Flat was clean and presentable.

The Lady:

Firm body. Nice big tits that were soft and welcoming. Ass was great.

The Story:

Very good kisser, DFK. Body was amazing to touch. She loves to be pleasured so kiss her well and lick her nipples before applying your tongue downstairs. I promise you will be amply rewarded. She's only 19 and is very sensitive and responsive to good love making. She got very wet and clearly wanted to fck, so fck her I did! And she loved that too.

Treat this girl right and you will reap the rewards. Her OWO is tantalisingly good, her breasts are fantastic and she kisses like your long lost girlfriend. What more could you want? Money extremely well spent.
